OMEX

OMEX is the market leader in liquid fertilisers in the UK and Ireland, manufacturing and exporting a unique range of plant nutrients and crop health promoters nationally and internationally.

Overview of Role

Responsible for producing and handling a variety of our products for dispatch across our ever expanding customer base in the UK , ROI and Europe.

This role requires a self-motivated and enthusiastic person to follow systems & procedures to ensure safe and efficient operation of processes & plant equipment.

To carry out activities to ensure site targets are met, including:

- Loading of road tankers and flatbeds
- Prepping and filling of various size drums and IBCs to our customers
- Cleanliness of storage tanks; inside and out
- Washing down production plants
- Stock control of finished product
- Assisting in other areas on site as and when necessary
- Safety of yourself & colleagues
- Avoidance of environmental harm
- General Housekeeping
- Record keeping and communication
- Making sure OMEX Environmental's quality control procedures are adhered to.

Key Responsibilities

- Follow written procedures and propose modifications for review when deficiencies are found.
- Report all incidents, accidents and near misses using the OMEX near miss reporting system.
- Carry out pre-use checks & routine inspections & keep detailed records.
- Maintain good levels of housekeeping.
- Report equipment breakdowns & deficiencies to your supervisor.
- Maintain records of material stock levels and communicate stock reports as required.
- Other production activities on the site, in line with competence & training.

Qualifications, Skills and Experience

- Full UK driving license required
- Industry standard counterbalance FLT certification required
- Industry standard Telescopic handler and other Plant machinery certification, preferred but not essential
- Dedicated and loyal worker
- Ability to work flexibly, willingness to learn and help with additional tasks such as maintenance

- Must have an own personal level of quality control
- Excellent self-initiative qualities and ability to work on own
- Work within a team environment and unsupervised at times
- Ability to work under pressure during busy work periods
- Attention to detail is paramount
- Team player capable of working alongside colleagues
- Good communication skills, literacy & numeracy and excellent level of spoken English

The standard working hours are 7:30 -17:00 Monday to Friday. Although depending on time of year and workload. You may be required to work extra subject to management decision.

Intersite travel will be required

Vision Strategy

**Omex:
Optimising
Life's
Essentials**

Our vision is to optimise life's essentials – food, energy and water – so people and planet can thrive for generations to come.

We do this through cutting edge, science-driven solutions that nourish soils and crops, power cleaner energy and purify water – turning vital resources into resilient systems to ensure we can all flourish in a changing world.

Values

Be in it for the long term.

The best results come from long lasting relationships. So, think beyond the quick win. Invest in trust. Be there, be steady. And create value that endures.

Embrace the challenge, see the opportunity.

A challenge is simply opportunity in progress. With curiosity, agility and a can-do mindset, we turn obstacles in better ways forward for our colleagues, customers and communities.

Roll up your sleeves & pursue excellence.

We're all in and committed to quality. We bring energy, passion and high standards to everything we do. By giving our best and working as a team, we deliver excellence that helps our world thrive.

Grow together, whether the weather.

Storms pass, but strong partnerships endure. We learn continuously, support each other, and grow stronger by sticking together through every season.

Do the right thing. Always.

We put people first – customer, colleagues, and partners. Acting with integrity empathy and respect, even when it's hard is how we earn trust and build lasting relationships.
