

<b>Company</b>	OMEX Agriculture Ltd.
<b>Main Site</b>	Bardney, Lincoln
<b>Job Title</b>	Site Electrician
<b>Contract Terms</b>	Full Time, Permanent

### **OMEX**

OMEX is the market leader in liquid fertilisers in the UK, manufacturing and exporting a unique range of plant nutrients and crop health promoters nationally and internationally.

### **Overview of Role**

OMEX is an exciting, forward thinking and innovative place to grow your career. We are on a journey to grow the business and are looking for a dedicated and enthusiastic Site Electrician to join the team.

The standard working hours are 7.30am to 4:30pm Monday to Friday. Extra hours and weekends may be required.

### **Key Responsibilities**

- To deal with and manage day to day reactive and proactive site maintenance.
- To perform cost effective repairs with a 'Right First Time' approach whilst maintaining high H&S standards.
- To ensure that all electrical components, site machinery and regulations are kept up to date and in order.
- Be able to read, understand and interpret electrical drawings and schematics.
- Be able to install and maintain electrical systems, pipe work systems and related ancillary equipment providing, hot & cold water, heating, cooling, refrigeration, compressed air, pneumatics systems, waste management services and buildings, etc.
- Be able to fault find and diagnose problems from a mid to high level including the use of laptop diagnostic software, both independently and as part of a team.
- Work with the team to develop the team's and one's own capabilities, driving cross training to improve working practices, capabilities and effectiveness.
- Continuous review and improvement of Planned Preventative Maintenance (PPM) practices, content and frequency.
- Add value and contribute toward improvements in buildings, plant and equipment reliability.
- Be able to keep good records of work done and any changes made to site and equipment, in conjunction with a CMMS system.
- Ensuring Health, Safety, Quality and Environmental requirements / procedures are always observed.
- Potential travel to other OMEX UK sites to assist in projects or repair work.

### **Qualifications, Skills and Experience**

- Completed a formal Electrical Apprenticeship – from an industrial background- essential
- Formal Electrical Qualification- essential
- 18<sup>th</sup> Edition – Level 3 Electrical Installations Award BS7671:2018 – desirable
- IPAF Cat B training- desirable.

- A proactive approach with the ability to work without supervision, take ownership, assume accountability and make decisions where needed.
- Have a positive, reliable and consistent “can do” attitude.
- Have a high degree of enthusiasm and self-motivation.
- Demonstrate a confident, methodical and determined approach in all things.
- Be able to work on own initiative and as part of a team.
- Have a logical, precise and accurate approach to work and be able to work to deadlines.
- Strong problem-solving skills.
- Able to work flexibly, time manage and prioritise workload.
- Have strong customer service and communication skills, with excellent interpersonal skills with the ability to build relationships and interact with people at all levels.
- Excellent communication skills at all levels & conversant in MS office applications.
- Support the OMEX team in excellence for the Vision & Values of the business

### Vision Strategy

<b>Omex: Optimising Life's Essentials</b>	<p>Our vision is to optimise life’s essentials – food, energy and water – so people and planet can thrive for generations to come.</p> <p>We do this through cutting edge, science-driven solutions that nourish soils and crops, power cleaner energy and purify water – turning vital resources into resilient systems to ensure we can all flourish in a changing world.</p>
---	---

### Values

<b>Be in it for the long term.</b>	<p>The best results come from long lasting relationships. So, think beyond the quick win. Invest in trust. Be there, be steady. And create value that endures.</p>
<b>Embrace the challenge, see the opportunity.</b>	<p>A challenge is simply opportunity in progress. With curiosity, agility and a can-do mindset, we turn obstacles in better ways forward for our colleagues, customers and communities.</p>
<b>Roll up your sleeves &amp; pursue excellence.</b>	<p>We’re all in and committed to quality. We bring energy, passion and high standards to everything we do. By giving our best and working as a team, we deliver excellence that helps our world thrive.</p>
<b>Grow together, whether the weather.</b>	<p>Storms pass, but strong partnerships endure. We learn continuously, support each other, and grow stronger by sticking together through every season.</p>
<b>Do the right thing. Always.</b>	<p>We put people first – customer, colleagues, and partners. Acting with integrity empathy and respect, even when it’s hard is how we earn trust and build lasting relationships.</p>
